TALK WITH YOUR DATA EFFORTLESSLY

ASK QUESTIONS GET VISUALIZATIONS

- Ask questions in **natural language**, and Eff BI translates them into SQL queries using our advanced **LLM pipeline**.
- Instantly get the most relevant charts to **visualize** your data.
- Gain insights on demand — no more bottlenecks, just seamless, **accessible data analysis**.

BUILT WITH SECURITY AT THE CORE

- Robust **access control** allows administrators to easily manage permissions across the organization.
- Sensitive information remains accessible only to authorized users, ensuring **full control** over data security.
- Enjoy **peace of mind** knowing your data is protected with **read only access**.
